Kanemorado Conference.

We hardly knew whether to go or not, asked the Lord about it, and finally decided he meant for us to go. On the way we stopped with the Jones', Whipkey's and Gardner's. Enjoyed the hospitality of our Christian friends. At Beatrice we took the train for Falls City, where we expected to meet many assembled in District conference. We fairly flew across the prairie, and I said to Clarence, we are on the Flyer, he knew it and said so. Traveling in Nebraska becomes very monotonous, especially in dog days, and we had only to close our eyes to the calendar and ripening corn, to be convinced that the hottest season of the year was upon us. To the call of the conductor we stepped off and found ourselves for the first time in Falls City. We expected a Reception committee, but soon decided if there was one there we were not the persons they were looking for. Notwithstanding, we were soon made to feel at home among the hospitable widows of Weaver and Dennis, who not only supplied our temporal wants during the meeting, but also gave us good substantial spiritual food. The meeting was the smallest of the kind I ever attended. The chairman of the

Hall's Family Pills are the best.

Program committee wrote me to go, expecting great spiritual blessings. The Lord had in store a great deal more than I expected. To come in touch with those who have committed both soul and body to the Lord's keeping, made us feel it was good to be there. Those meetings are strengthening and ought to be more largely attended.

We direct special attention to the following remarkable statements.

Had catarrh ever since I can remember, often avoided company on account of it; throat was dry and sore, the least change in the weather gave me cold; dull pain over my eyes caused a stupid and drowsy feeling; ears began to ring, in a short time my hearing failed, became so deaf could not hear one talk unless they were close to me, and spoke very loud. Used Aerial Medication eight weeks, hearing was fully restored, roaring and pain stopped, and was entirely cured of Catarrh. I do not see why anyone should suffer from Catarrh or deafness when there is such a good cure as this.—MISS CARRIE BOWERS, Rouseville, Pa.

Am 72 years old, suffered from Catarrh over 25 years, was almost entirely deaf. Four years ago used Aerial Medication, which I regard one of the most useful discoveries of this age. Since have suffered but little. My hearing was and is still restored, can hear ordinary conversation and preaching. Rev. Dr. Potter, of this city, has been signally blessed by this treatment in the cure of throat affection.—REV. C. R. PATTISON, Eustis, Fla.

He Threw His Slate Away.

In 1869 I had typhoid fever which left me with Catarrh and totally destroyed my hearing; for 25 years I could not understand a word, or hear a steam whistle, and had to carry a slate so that people could talk to me. In '94 I obtained Aerial Medication and in a week surprised my friends by throwing my slate away, could begin to hear in two weeks could hear loud conversation, in three months could sit by the church door and fully understand every word that was spoken. The wonderful cure astonished my friends as well as myself, for three years my hearing has been perfect and I am entirely free from Catarrh.—EDWARD E. WILLIAMS, Lead, S. D.

Aerial Medication has triumphed and I am cured. One thousand dollars would be nothing compared to this. I have had bitter suffering from Catarrh. Since I had La grippe the disease settled in the back of my head and the pain was almost unbearable, now I am cured, and thank God I heard of this treatment, which has no equal.—MISS E. S. ORR, E. Harpswell, Maine.
